Shein: Fast-fashion workers paid 3p per garment for 18-hour days, undercover filming in China reveals

EXCLUSIVE

Conditions in two factories – making the kinds of clothes sold to British shoppers for as little as £1.49 – have been secretly recorded

Channel 4's Untold: Inside the Shein Machine exposes how people in China are treated while making garments that are snapped up by consumers (Photos: Channel 4 and Zandland Films/ Getty)
